

# LIGHTING DESIGN

by Consullux

A division of Crossey Engineering Ltd.

Glendon College York University, Toronto, ON

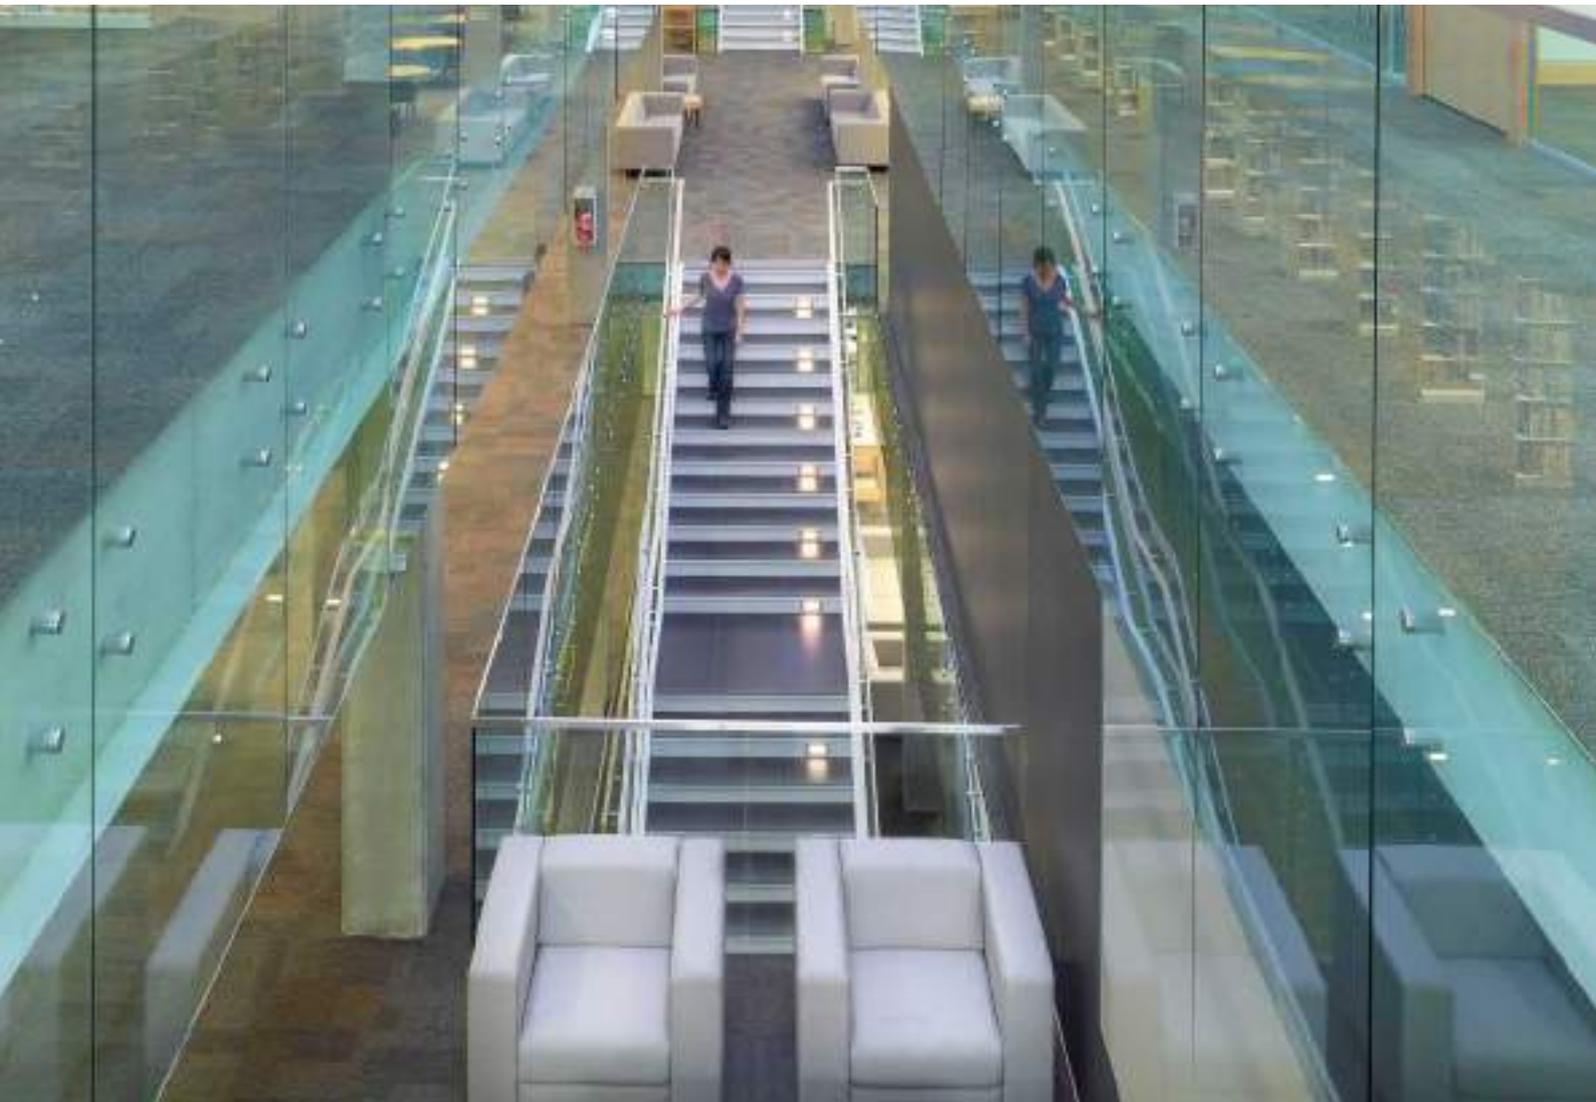

Consullux Lighting Consultants are an award-winning professional lighting design consultancy with over 20 years of experience in the industry. We collaborate with architects, interior and landscape designers for lighting in architecture, urban spaces, landscapes, arts and cultural projects.

University of Waterloo, Engineering 7, Waterloo, ON

At Consullux, we specialize in creative, energy-efficient lighting solutions for all types of projects through the use of artificial and natural light.
